

CURRICULUM VITAE

William Barlow Inabnet III, MD, MHA, FACS

Nickname: Barry

ACADEMIC OFFICE:

Johnston-Wright Professor and Chair
Department of Surgery
University of Kentucky College of Medicine
UKHC
800 Rose Street, MC 268
Lexington, KY
40536
Email: william.inabnet@uky.edu
Personal email: binabnet@gmail.com

EDUCATION:

Bachelor of Science in Biology
University of North Carolina-Chapel Hill
1987

Medical Degree
University of North Carolina-Chapel Hill
1991

Masters in Health Administration
Columbia University
Mailman School of Public Health
October 18, 2018

POSTDOCTORAL TRAINING:

Internship: July 1991-June 1992
Intern in General Surgery
Rush-Presbyterian-St. Luke's Medical
Center, Chicago, IL

Residency: July 1992-June 1996
Resident in General Surgery
Rush-Presbyterian-St. Luke's Medical
Center, Chicago, IL; Dr Richard Prinz

Fellowship: November 1996-October 1997
Surgical Endocrinology
Cochin Hospital
Paris, France; Professor Yves Chapuis

ACADEMIC APPOINTMENTS:

Instructor of Surgery
Rush Medical College, Chicago, IL
July 1, 1994 - June 30, 1996

Assistant Professor of Surgery
Mount Sinai School of Medicine, New York, NY
March 2, 1998 - October 2003

Assistant Professor of Surgery,
College of Physicians and Surgeons of Columbia
University, New York, NY
November 2003 - August 2009

Chief, Section of Endocrine Surgery
Co-Director New York Thyroid Center
New York-Presbyterian Columbia University Medical
Center
November 2003 - October 2009

Associate Professor of Clinical Surgery
College of Physicians and Surgeons of
Columbia University, New York, NY
November 2004 - August 2009

Division Chief
Metabolic, Endocrine & Minimally Invasive Surgery,
Department of Surgery
Mount Sinai Hospital
2009-2014

Eugene W. Friedman, MD Professor of
Surgery
Mount Sinai School of Medicine, New York, NY
2010-present

Co-Director
Mount Sinai Adrenal Center
2010-present

Director of Surgical Sciences
Diabetes, Obesity and Metabolism Institute
Mount Sinai Hospital, New York, NY
2010-present

Director
Endocrine Surgery Quality
Mount Sinai Health System
2014-present

Chairman
 Department of Surgery
 Mount Sinai Beth Israel
 New York, NY
 2014-2018

System Chief of Endocrine Surgery
 Mount Sinai Health System
 2018-present

Chairman, Department of Surgery
 University of Kentucky College of Medicine
 Lexington, KY
 Sept 2019

Surgeon-in-Chief
 UK Healthcare
 Lexington, KY
 Sept 2020

HOSPITAL APPOINTMENTS:

Assistant Attending
 Mount Sinai Hospital
 New York, NY
 March 2, 1998 – October 30, 2003

Attending Surgeon
 New York-Presbyterian Hospital
 New York, NY
 October 31, 2003 – August 30, 2009

Attending Surgeon
 Mount Sinai Hospital
 New York, NY
 September 1, 2009-2019

CERTIFICATION:

Diplomate, National Board of Medical
 Examiners (#409509): July 1, 1992

Diplomate, American Board of Surgery
 November 3, 1998 (#43602)
 Recertified: December 3, 2007 to July 01, 2019

LICENSURE:

New York (#209371):

HONORS, AWARDS & PATENTS:

Dean's List, 1985-87
 Surgical Sciences Award 1992
 Surgical Sciences Research Award, 1994
 Chief Administrative Resident, 1995-1996
 General Surgery Department Award:
 Chief Resident of the Year, 1996
 SAGES Video Achievement Award, 2000
 SAGES Video Achievement Award, 2001
 Inducted into French National Academy of
 Surgery, Paris, France, Jan 2004
 Brazilian College of Surgeons
 Honorary Diploma, Jun 2005
 Eugene W. Friedman Endowed Chair, Professor
 of Surgery, 2010
 Arthur M. Shipley Award, 2011:
 Southern Surgical Association
 Castle Connolly Top Doctor New York Metro
 Area, 2003-2017
 Vice President, American Association of
 Endocrine Surgeons, 2014-15
 Elected Diplomate, French Academy of
 Medicine, 2016
 Leadership Award, Mount Sinai Beth Israel
 Medical Board, 2016
 Icahn School of Medicine at Mount Sinai
 Institute for Medical Education: Master
 Clinician Award, 2017

FOUNDATIONS/BOARDS

Endocrine Surgery Quality Foundation,
 Founder and President Board of Directors
 2016-present

 American Multiple Endocrine Neoplasia Support
 Medical Advisory Board: 2017-present

PROGRAM DIRECTORSHIP: Mount Sinai Beth Israel Residency in General Surgery:
2017-2018

PROFESSIONAL SOCIETIES:

Association of Women Surgeons (AWS)
 American Association of Endocrine Surgeons (AAES)
 American Association of Clinical Endocrinologist
 American Association of Tissue Banks (AATB)
 American Society for Metabolic and Bariatric Surgery (ASMBS)

American Society of General Surgeons (ASGS)

COMMITTEES (External):

American Association of Endocrine Surgeons (AAES)

- Endocrine Surgery Quality Foundation, President, 2016-present
- Vice President, AAES, 2014-15
- Management Council, 2013
- Chair, Fellowship Accreditation Committee, 2012-14
- Chair, Collaborative Endocrine Surgery Quality Improvement Program Committee, 2013-2018
- Member, Board of Directors, AAES Foundation: 2010-2015
- Council Member: 2008-10
- Chair, Committee on Education and Research 2007-10
- Fellowship Committee: 2007-2019
- Committee on Education and Research: 2004-06

Surgical Review Corporation (SRC)

- Chair, Data Dissemination Committee: 2009-11
- Bariatric Surgery Review Committee: 2004-08

American College of Surgeons (ACS)

- Operation Giving Back, 2nd Training Hub, University Teaching Hospital, Lusaka, Zambia. Chair, Quality Subcommittee, 2020-present

- Executive Co-Producer, Icons in Surgery Video Program: 2016-present
- Chair, Committee on Video-Based Education: 2012-16
- Vice Chair, ACS Surgical History Group: 2016
- Program Committee: 2012-16
- Committee on Video-Based Education: 2005-2016
- Consultant, Committee on Video-Based Education: 2016-present
- Executive Council, Committee on Video-Based Education: 2007-2016
- Committee for MBSAQIP, Standards Committee (Metabolic Bariatric Surgery Accreditation & Quality Improvement Program): 2012-2016

American Society for Metabolic & Bariatric Surgery (ASMBS)

- Chair - Standards and Quality Committee, 2012-13
- Co-Chair - Standards and Quality Committee, 2010-12
- Chair – Joint task force for the credentialing of bariatric surgeons
- Chair, Research Committee: 2008-10
- Program Committee, 2010-2011

American Thyroid Association (ATA)

- Chair, Surgical Affairs Committee: 2010-12
- Surgeon Communication Sub-Committee: 2010
- Publication Committee: 2017-present

Longitudinal Assessment of Bariatric Surgery (LABS):

- Scientific Measures Committee: 2004
- P & P Committee: 2004-09

Society of American Gastrointestinal and Endoscopic Surgeons (SAGES)

- Education Committee: 2000-02

International Federation for the Surgery of Obesity (IFSO)

- Scientific and Program Committee: 2012-14

Harvard Medical School (HMS)

- Promotion of Dr. Scott Shikora to Professor, Ad Hoc committee, 2015

ADMINISTRATIVE LEADERSHIP APPOINTMENTS AND COMMITTEES (Internal):

Ichan School of Medicine at Mount Sinai (2009-2019)

- Member, Committee for Clinical Excellence: 2010

- Robotic Surgery Review Committee: 2010-2018
 - Chair: 2013-15
- Team STEPPS Champion: 2013
- Director, Resident Core Curriculum: 1999-2003
- Inaugural Director of Endocrine Surgery Quality, Mount Sinai Health System, 2014-19
- Endocrine Surgery Fellowship Program Director: 2010-19
- Continuing Medical Education Advisory Committee: 2018-19

Mount Sinai Health System (2013-2019)

- Clinical Integration Subcommittee: 2015-present
- MACRA (Medicare Access and CHIP Reauthorization Act) Committee: 2016-present
- Director of Endocrine Surgery Quality: 2014-present

Columbia University College of Physicians and Surgeons (2003-07)

- Endocrine Surgery Fellowship Director: 2004-2009
- Medical Student Preceptor: 2005-2009

Mount Sinai Beth Isreal (2014-2018)

- Alternate Care Model Steering Committee
- Mount Sinai Downtown Leadership Council
- Quality Improvement Program Committee
- Council of Chairs

University of Kentucky College of Medicine (2019-present)

- Joint Operating Committee
- Executive Committee (formerly Council of Chairs)
- Clinician Philanthropy Leadership Committee
- Executive Management Committee
- Operative Room Executive Committee
- Medical Group Committee
- Kentucky Medical Service Foundation Board
- Ambulatory Oversight Committee
- Surgery Wellness Committee
- Hospital Operations Committee – Co-chair
- UK HealthCare Quality and Safety Committee
- Kentucky Childrens Hospital Executive Committee
- Revenue Cycle Operations Committee
- Procedure Prioritization and Oversight Committee
- Chair, Anesthesia Chair Search Committee
- Throughput Affinity Group
- Medical Staff Executive Committee

ADMINISTRATIVE LEADERSHIP APPOINTMENTS (External):

EXTERNAL: Founder and Inaugural President of the Board of Directors, Endocrine Surgery Quality Foundation, 2016 to present

JOURNALS: EDITOR-IN-CHIEF

1. *VideoEndocrinology*, American Thyroid Association & Mary Ann Liebert, Inc Publisher, 2018-21

JOURNALS: MEMBER OF EDITORIAL BOARD

1. *Gland Surgery*, 2019-2021
2. *Scientific Board of the e-Mémoires de l'Académie Nationale de Chirurgie*
3. *SOARD (Surgery of Obesity and Related Diseases)*, 2010-18
4. *World Journal of Endocrine Surgery*
5. *Thyroid*, 2003-2018
6. *Contemporary Surgery*, 2008
7. *Obesity Surgery*, 2009-2017
8. *Journal of Korean Surgical Society*, 2011
9. *Scientific Board of the e-Mémoires de l'Académie Nationale de Chirurgie*, 2012
10. Associate Editor for: *World Journal of Endocrine Surgery*, 2009
11. *VideoEndocrinology*, American Thyroid Association & Mary Ann Liebert, Inc Publisher, 2014-present

JOURNALS: GUEST EDITOR

1. *Annals of Surgery*
2. *Asian Journal of Surgery*
3. *Journal of Korean Surgical Society*
4. *Surgery*
5. *World Journal of Surgery*
6. *Surgical Endoscopy*
7. *Journal of the American College of Surgeons*
8. *In Training: The publication for surgical resident and fellows*
9. *Endocrine Practice*
10. *Journal of Clinical Endocrinology and Metabolism*
11. *Annals of Surgical Oncology*

INTERNAL: Teaching– Postgraduate Courses

1. Minimally Invasive Endocrine Surgery Workshop, Co-Director, The Mount Sinai Medical Center, NY, April 30-May 1, 1999.

2. Ultrasound Workshop for Surgeons, The Mount Sinai Medical Center, NY, February 5, 2000.
3. Minimally Invasive Endocrine Surgery Workshop, Co-Director, The Mount Sinai Medical Center, NY, April 27-28, 2000.
4. Laparoscopic Morbid Obesity Workshop. The Mount Sinai Medical Center, NY, May 18-19, 2000.
5. Laparoscopic Ventral Hernia Repair. The Mount Sinai Medical Center, NY, June 9, 2000.
6. Laparoscopic Common Bile Duct Exploration. The Mount Sinai Medical Center, NY, Sept, 2000.
7. Laparoscopic Morbid Obesity Workshop. The Mount Sinai Medical Center, NY, Nov 9-10, 2000.
8. Laparoscopic Ventral Hernia Repair. The Mount Sinai Medical Center, NY, Dec 15, 2000.
9. Laparoscopic Morbid Obesity Workshop. The Mount Sinai Medical Center, New York, NY, Feb 8, 2001.
10. Laparoscopic Morbid Obesity Workshop. The Mount Sinai Medical Center, New York, NY, June 4, 2001.
11. Laparoscopic Ventral Hernia Repair. The Mount Sinai Medical Center, NY, June 21, 2001.
12. Laparoscopic Common Bile Duct Exploration. The Mount Sinai Medical Center, NY, June 22, 2001.
13. Minimally Invasive Endocrine Surgery. Director. Quan-Yang Duh Co-director. SAGES and World Congress of Endoscopic Surgery. The Mount Sinai Medical Center, NY, March 12-13, 2002.
14. Minimally Invasive Endocrine Surgery. Director. The Mount Sinai Medical Center, NY, April 3-4, 2003.
15. Bariatric Surgery. Society of Laparo-Endoscopic Surgeons. New York, NY. Sept, 2004.
16. Bariatric and Endoscopic Surgery Trends (BEST), Co-Director, Mount Sinai School of Medicine, November 2011

17. Advances in Metabolic & Endocrine Surgery. Department of Medicine Grand Rounds, Mount Sinai School of Medicine, New York, NY. January 12, 2012
18. New York Endocrine Surgery Course. Director, December 4-5, 2012
19. 2nd Annual New York Masters Course in Endocrine Surgery. Course Co-Director; Live Surgery: Laparoscopic Transabdominal Left Adrenalectomy; Neuroendocrine Pancreatic & Metabolic Disorders: Gut Peptides 101; Why Does Metabolic Surgery Lead to Remission of Type 2 diabetes? Video Symposium: How I do it: Laparoscopic Approaches to Pancreatic NETS, and, Endoscopic Thyroidectomy. New York, NY Dec 6-7, 2013
20. 3rd New York Masters Course in Endocrinology and Endocrine Surgery. Course Co-Director, Presenter and Panel Discussant. Collaborative Endocrine Surgery Quality Improvement Program. December 11-12, 2015.
21. 4th New York Masters Course in Endocrinology and Endocrine Surgery. Course Director. Icahn School of Medicine at Mount Sinai. December 7-9, 2017 (181 attendees from 37 states and 23 countries)

EXTERNAL: Teaching– Postgraduate Courses

1. SAGES' Comprehensive Laparoscopic Skills Integration Program, The Mount Sinai Medical Center, NY, November 6, 1999.
2. Endocrine Surgery. American College of Surgeons, Chicago, IL, Oct 2000.
3. Laparoscopic Surgery of the Pancreas. Intensive Course in Laparoscopic Surgery, IRCAD, Strasbourg, France, videoconference March 9, 2001.
4. Endoscopic Thyroid Workshop. Kuwait Military Hospital, Kuwait City, Kuwait, March 13-14, 2001.
5. Radioguided Parathyroidectomy. Endocrine Surgery International Meeting, Rome, Italy, videoconference, March 26-28, 2001.
6. Endocrine Surgery Workshop. Instituto Nacional de Ciencias Medicas y Nutricion, Mexico City, Mexico, June 28-29, 2001.
7. Endocrine Surgery. Minimally Invasive Endoscopic Thyroidectomy. ACS, New Orleans, LA, October 8, 2001.
8. Endocrine Surgery. Endoscopic approaches to thyroid and parathyroid diseases. ACS, San Francisco, CA, October 7, 2002.

9. 5th International Post-Graduate Course of Minimally Invasive Endocrine Surgery. European Institute of Telesurgery, Strasbourg, France, Feb 6-9, 2003.
10. UPMC Bariatric Surgery. Whistler, British Columbia, Canada. Feb 19-21, 2004.
11. The case for video-assisted parathyroidectomy. Minimally Invasive Endocrine Surgery, SAGES, Denver, March, 2004.
12. Minimally Invasive Endocrine Neck Surgery. ACS Clinical Congress, Boston, April 25, 2004.
13. Video-endoscopic parathyroidectomy. American College of Surgeons, New Orleans. Oct 11, 2004.
14. Minimally invasive bariatric surgery symposium. Two stage procedure in the super obese. Squaw Valley, CA, Feb 2005.
15. Super, super morbid obesity: the role of biliopancreatic diversion with duodenal switch. SAGES, Hollywood, FL, April 2005.
16. Postoperative follow-up and nutrition in bariatric surgery. Gastrointestinal problems. ACS Clinical Congress, Chicago 2006. (Coordinator Keith Lillimoe).
17. Thyroid and parathyroid surgery course. INCA. Parathyroid imaging, Minimally invasive parathyroidectomy, thyroidectomy under local anesthesia. Rio de Janeiro, Brazil. March 25-27, 2007.
18. Bariatric Endoscopic Surgical Trends postgraduate course. Diabetes and bariatric surgery, revisional bariatric surgery, laparoscopic duodenal switch. Porto Alegre, Brazil. August 2-4, 2007.
19. Thyroid and Parathyroid Surgery. Indications for minimally invasive surgery. Harvard Medical School, MGH, Boston, MA. November 9-11, 2007.
20. Bariatric Endoscopic Surgical Trends postgraduate course. Diabetes and bariatric surgery. Salvador, Brazil. August 1-3, 2008
21. SAGES: Director, Solid Organ/Endocrine Surgery Post Graduate Course; Washington DC, April 13 to 17, 2010.
22. Bariatric Endoscopic Surgical Trends postgraduate course, Lisbon, Portugal, May 2010.
23. Bariatric and Metabolic Surgery: Impact of Surgery on Metabolic Co-Morbidity Resolution – Cholesterol, Hypertension and Diabetes. Controversies, Problems & Techniques in Surgery Symposium. New York, NY. January 6-8, 2011.

24. Surgery of the Foregut Symposium, 10th Annual. Cleveland Clinic. Invited Speaker: Reoperative Surgery for Complications after LSG: Conversion to BPD DS. Reoperative Surgery for Adjustable Gastric Banding: Conversion to RYGBP. Coral Gables, FL; February 20 to 23, 2011.
25. Trends in General Surgery. University of Wisconsin prograduate course. April, 2012
26. The 2012 American College of Surgeons: Clinical Congress. Coordinator & Presiding Officer, Postgraduate course: Challenging & Unusual Problems in Surgery - *Transaxillary Endoscopic Total Thyroidectomy and Central Lymph Node Dissection for Papillary Thyroid Carcinoma*. General Surgery Track (GEN): Presenter, *Single-Incision Retroperitoneoscopic Adrenalectomy for Cushing Syndrome*. Presenter, *Laparoscopic Transabdominal Subtotal Adrenalectomy for Bilateral Pheochromocytoma*. General surgery (GEN) Neurosurgery (NEU) Subject-Oriented Symposium III: Coordinator and Presiding Officer: *Surgical Management of Carcinoid & Neuroendocrine Tumors*. Best Videos from the Past, Presenter: *Minimally Invasive Endoscopy Thyroidectomy*. Chicago, IL, Sept 30–Oct 3, 2012.
27. Endocrine Surgery Video Symposium, International Association of Endocrine Surgeons annual meeting, Co-director. Helsinki, Finland. August 2013.
28. The 2013 American College of Surgeons Clinical Congress. Post-Graduate Endocrine Surgery Review Course, Speaker: Minimally Invasive Thyroid Surgery. Challenging and Unusual Problems in Surgery, Presenter: En Bloc Resection of Metastatic Cervical Carcinoid Tumor with Right Common Carotid Artery Invasion. General Surgery 1, Presenter: Endoscopic Transaxillary Parathyroidectomy: Pearls for Preoperative CT Localization and Operative Technique. Coordinator and President Officer, Endocrine Surgery: Interdisciplinary Management of Multifocal Insulinoma; Presenter, Interdisciplinary Management of Multifocal Insulinoma. Washington, DC. Oct 6-10, 2013.
29. Sixth Annual TULANE Symposium on Thyroid & Parathyroid Diseases; Practical Lessons from ATA Guidelines for Management of Thyroid Nodules; Papillary Micro Carcinoma – Can this be an aggressive disease?; Central Lymph Node Dissection Case Presentations & Panel Discussion; Recurrent Thyroid Cancer Challenging Case Presentations; Metastatic Neck Disease & Reoperative Thyroid Surgery Challenging Cases & Panel Discussion. Hyatt Regency, New Orleans. Jan 31- Feb 2, 2014.
30. Clinical Lecture: “Endoscopic thyroid approaches 2014.” Harvard Medical School: Surgery of the Thyroid & Parathyroid Glands. Boston, Massachusetts. Dec 6-7, 2014.
31. Endocrine Surgery. Practical Lessons from the New ATA Guidelines for the Management of Thyroid Nodules. Minimally Invasive Endocrine Surgery.

- Metabolic Surgery: New frontier or dead end? Adrenal Incidentaloma. MUSC Postgraduate Course in Surgery. Charleston, South Carolina. May 1, 2015.
32. IDES 2016 International Debates on Endocrine Surgery. Lecture: "Introduction to endoscopic axillary thyroidectomy. Patient selection and preliminary results." Case Lecture: "Hemithyroidectomy transaxillary endoscopic approach." Lecture: "Thyroidectomy without neck scar. Endoscopic or robotic approach?" Debate Panelist: Endoscopic Transaxillary thyroidectomy. Barcelona, Spain. June 7-11, 2016.
 33. Latin American Endocrine and Hepatobiliary Surgery Oncology. "Quality in Endocrine Surgery". Course directors Nancy Perrier and Miguel Herrera. MITIE, Methodist Hospital, Houston, TX. June 29, 2016
 34. The 2016 American College of Surgeons: Clinical Congress. Coordinator & Presiding Officer, Postgraduate course: *Subject-oriented Symposium II: Complex Endocrine Neck Surgery*. General Surgery Track (GEN); Co-Moderator, Icons in Surgery I- Video Session. Video Based Education; Presenter, Work-up and Management of a Functional Adrenal Mass, *Surgical Management of Primary Aldosteronism*. Co-Moderator, Icons in Surgery II- Video Session. Washington, DC, Oct 17-19, 2016.
 35. 46th PostGraduate Course in Surgery. Medical University of South Carolina (MUSC). How to build a surgical team, Remote access endocrine neck surgery, Everthing you need to know about parathyroid surgery. Charleston, SC. April 27-29, 2017.
 36. 6th Shanghai International Forum on Thyroid and Parathyroid Surgery. Shanghai Gongli Hospital, 2nd Military Medical University: Remote Access Thyroid Surgery – the Mount Sinai Experience. Impact of 2015 ATA Thyroid Cancer Guidelines and 2018 ACCC 8th Edition Staging System. Shanghai, China, September 7-8, 2018.
 37. 2018 Beijing International Head and Neck Oncology Symposium. National Center Center/Chinese Academy of Medical Sciences, Peking Union Medical College Cancer Hospital. State of the Art lecture -Enhanced Recovery After Thyroid Surgery. Beijing, China, November 3-4, 2018.
 38. Transoral Thyroidectomy. 2019 ACS Clinical Congress, Skills training course. Co-director. San Francisco, CA. Oct 28, 2019.
 39. 5th NY Masters Course in Comprehensive Endocrine Surgery. Icahn School of Medicine at Mount Sinai, New York, NY. Dec 12-13, 2019.

TRAINING RECORD:

UNDERGRADUATE MENTEES

Katherine Gibbs	Jan - Aug 2021	Mentor	Rising junior, Queens College, Charlotte, NC
Elaf K. Ghoneim	June – August 2021	Mentor	Rising junior, University of KY, Lexington, KY

LAPAROSCOPIC FELLOWS TRAINED:

NAME:	ROLE & DATES:	VENUE:	CURRENT STATUS:
Greg Jossart, MD	Mentor: 1998-99	Mount Sinai School of Medicine (MSSM)	Attending
Marina Kurian, MD Emma Patterson, MD Christine Ren, MD	Mentor: 1999-2000	MSSM	Attending
John DeCsepel, MD Theresa Quinn, MD	Mentor: 2000-01	MSSM	Attending
Christine Chu John Feng, MD David Voellinger, MD	Mentor: 2001-02	MSSM	Attending
Emilie Comeau, MD Joe Regan, MD Don Selzer, MD	Mentor : 2002-03	MSSM	Attending
Ahmed Assalia, MD Greg Dakin, MD Patricia Turner, MD	Mentor: 2003-04	New York-Presbyterian Hospital (NY-PH)	Attending

16. Image-Directed Parathyroidectomy. Selected Topics in Surgery, SUNY Downstate Medical Center. Brooklyn, NY, Dec 10, 2005.
17. Visiting Professor, George Washington University, Washington DC, January 25, 2006.
18. Sutureless thyroid surgery. Asian Association of Endocrine Surgeons, Hong Kong, China, March 2006.
19. Advances in parathyroid surgery. Visiting Professor, University of Kansas. Kansas City, MO. April 25, 2006.
20. Thyroid and Parathyroid Symposium. INCA, Director: Fernando Dias, Rio de Janeiro, Brazil. March 21-24, 2007.

21. Laparoscopic ultrasound in neuroendocrine pancreatic surgery. International Association of Endocrine Surgeons. Montreal, Canada, August 29, 2007.
22. New advances in thyroid surgery. Co-moderator with Dr Greg Randolph, ACS, New Orleans, Oct 2007.
23. Thyroidectomy under local anesthesia. Laparoscopic pancreatic surgery. 11th Meeting of the Asian Association of Endocrine Surgeons. Kota Kinabalu, Sabah, Malaysia. March 20-22, 2008.
24. NJ Chapter of AACE: Parathyroid surgery: evolving indications and minimally invasive techniques. Seaview Resort and Spa, Galloway, NJ, Sept 6, 2008.
25. American College of Surgeons. Endocrine Surgery Video Session, Co-chair, San Francisco, CA, October 14, 2008.
26. Mexican Association of General Surgery. Visiting International Professor. Veracruz, Mexico, Oct 28-31, 2008.
27. Korean Association of Surgeons. Visiting International Professor. Seoul, Korea. November 12-15, 2008.
28. Egyptian Society of Laparoscopic Surgeons. Visiting International Expert, Laparoscopic Endocrine Surgery. 7th ESLS International Congress, Cairo, January 20-23, 2009.
29. AAES Annual Meeting, Invited Speaker: Establishing & Maintaining an Endocrine Surgery Practice: Maintaining Perspective in Your Off Time. Pittsburgh, PA; April 17 to 20, 2010
30. Mexican Association of Endoscopic Surgery, XIX International Congress. Visiting International Expert: Laparoscopic Adrenalectomy; Metabolic Surgery & the Beta Cell; Laparoscopic Enucleation & Distal Pancreatectomy; Resection of Pancreatic Tumors. Cancun, Mexico, May 5 to 9, 2010
31. ASMBS: 27th Annual Conference. Invited Speaker: Fundamentals in Bariatric Research Course; Animal Models. Las Vegas, NV, June 22 to 26, 2010
32. ASMBS: 27th Annual Conference. Moderator, Plenary Session # 8: Adolescents. Las Vegas, NV, June 22 to 26, 2010
33. ASMBS: 27th Annual Conference. Invited Speaker: A comparison of Sleeve Gastrectomy and Duodenal-Jejunal Bypass on Glucose Homeostasis in a Rodent Model of Obesity and Type 2 Diabetes Mellitus. Las Vegas, NV, June 22 to 26, 2010

34. The 2nd Thyroid Disease Conference. Invited Speaker: Progress in the study of thyroid disease: Endoscopic thyroid surgery via axillary approach. Shanghai, China. November 10 to 15, 2010
35. John Jones Surgical Society. Symposium. Metabolic & Diabetes Surgery: What we know and where we go from here. Invited Speaker: Metabolic Surgery in Lower BMI Diabetics. Columbia UMC & NY-P Hospital, May 19, 2011
36. OMNIPREX Spain. Invited Speaker: Bariatric Surgery & Type 2 Diabetes. Mount Sinai Medical Center, New York, NY. May 23-24, 2011.
37. ASMBS: 28th Annual Conference. Invited Speaker: Laparoscopic Sleeve Gastrectomy: Techniques & Outcomes Course. Outcomes of Sleeve Gastrectomy as a Primary Procedure. Sleeve Gastrectomy as a Revisional Operation for Failed Gastric Bypass. Orlando, FL; June 13 to 16, 2011
38. ASMBS: 28th Annual Conference. Invited Speaker: Metabolic Surgery Symposium – Plenary Session. Pathology of the Disease: Intake, Insulin Production & Insulin Response/Sensitivity. Orlando, FL; June 13 to 16, 2011
39. MSH/MSSM Dept of Clinical Nutrition. Weight Management Grand Rounds. Panel discussion: Guidelines from the International Diabetes Federation Taskforce on Epidemiology & Prevention on Bariatric Surgical & Procedural Interventions in the treatment of Obese Patients with Type 2 Diabetes. New York. June 20, 2011
40. International Surgery Week. 44th World Congress of the International Society of Surgery ISS/SIC. Invited Speaker: Partial small bowel resection with sleeve gastrectomy increases adiponectin levels and improves glucose homeostasis in obese rodents with type 2 diabetes. Yokohama, Japan, August 28 to September 1, 2011
41. International Surgery Week. IAES/JAES Clinical Skills Afternoon: Endocrine Surgery. Invited Speaker: Overview of minimally invasive endocrine surgery: Laparoscopic Insulinoma Resection. Yokohama, Japan, August 28 to September 1, 2011
42. American Thyroid Association. Webinar (national broadcast): New Technologies and Techniques in Thyroid Surgery. Minimally Invasive and Video-endoscopic Approaches to the Thyroid Gland. September 20, 2011
43. NYU Langone Medical Center, NYU School of Medicine. Dept of Surgery Grand Rounds. Visiting Professor: The evolution of minimally invasive thyroid and parathyroid surgery. New York. October 19, 2011
44. American Thyroid Association, 81st Annual Meeting. Chair: Arthur Bauman Clinical Symposium: Robotic Thyroid Surgery. October 28, 2011

45. American College of Nutrition, 52nd Annual Conference, Emergence of Nutrition as Core Medicine. Update on Obesity: Metabolic medicine and metabolic surgery. Morristown, NJ. November 17, 2011
46. University of Wisconsin General Surgery CME Course. Visiting Professor: Indications and technique of endoscopic thyroidectomy in 2012. Bariatric surgery and diabetes remission. April 13 &14, 2012
47. Central America Thyroid Surgery Course, Instituto Nacional de la Nutrición Salvador Zubirán. Visiting Professor: Endoscopic Thyroidectomy. Mexico City, May 25-28, 2012
48. ASMBS 29th Annual Conference. Starting a New Program: Steps to Excellence. Integration of the New Credentialing Guidelines into Your Practice Environment. San Diego, CA. June 18-23, 2012
49. American Thyroid Association, 82nd Annual Meeting. Case Presentations: Thyroid Cancer, Thyroid Function. Quebec, Canada. September 20-22, 2012
50. Argentine Congress of Surgery, 83rd Annual Meeting. Main Lecture: Metabolic Surgery - Current State; The Role of Bariatric Surgery in Treating Metabolic Syndrome; Endoscopic Thyroidectomy-Indications & Technique in 2012; Advanced Minimally Invasive & Laparoscopic Surgery-Sleeve Gastrectomy; Adrenal Gland Surgery-Management of Functioning Adrenal Nodules; Techniques for Laparoscopic Adrenalectomy. Buenos Aires, Argentina. Nov 4 to 10, 2012
51. The 4th Annual International Consensus Summit for Sleeve Gastrectomy (ICSSG-4). Gastric bypass to sleeve; Sleeve as a Revisional Surgery. New York, NY. December 6, 2012.
52. SAGES 2013 - Scientific Session & Postgraduate Courses. *Surgical Spring Week*. Held in conjunction with ISLCRS – The 8th International Congress of Laparoscopic Colorectal Surgery. Co-chair: MIS Endocrine: *Controversial Topics in MIS Endocrine Surgery*. Baltimore, April 17-20, 2013
53. SUNY at Stony Brook School of Medicine Grand Rounds. Recent Innovations in Minimally Invasive Endocrine Surgery. Stony Brook, NY. June 19, 2013
54. International Surgical Week (ISW 2013)/International Association of Endocrine Surgeons (IAES 2013). Moderator, Clinical Skills: Interdisciplinary Management of Multifocal Insulinoma. Helsinki, Finland, August 23-10, 2013
55. 18th World Congress of International Federation for the Surgery of Obesity & Metabolic Disorders. Extreme situations in bariatric surgery: Complications & Revisions. Leaks in Gastric Bypass & Sleeve: Why are they so different?

Moderator: Metabolic & Diabetes Surgery: BPD & BPD-DS. Istanbul, Turkey, August 28-31, 2013

56. Metabolic and Endocrine Surgery – A Dynamic Specialty for Advancing Innovation and Translational Science in the 21st Century. Brigham & Women’s, Boston, 21-22 Jan 2014
57. TAES 2014; The Evolution of Endoscopic Thyroid Surgery. The Emerging Specialty of Metabolic/Gastrointestinal Endocrine Surgery. 13-20 March, 2014, Taipei, Taiwan
58. The Collaborative Endocrine Surgery Quality Improvement Program. CESQIP: A dynamic QA initiative for monitoring outcomes in thyroid, parathyroid, adrenal and neuroendocrine surgery. Webinar, March 26, 2014
59. ESU- Endocrine Surgery University. Boston, Massachusetts. April 25-29, 2014.
60. Challenges & Reality in Bariatric & Metabolic Surgery: Metabolic Surgery in 2014. XXIII Congress of Endoscopic Surgery International. Veracruz, Mexico May 1-4, 2014.
61. American Association of Clinical Endocrinologists (AACE 2014). Endocrine Surgery Symposium- “Integrative concepts in Endocrinology & Endocrine Surgery- A Tale of Two Cities.” Las Vegas, Nevada. May 14-18, 2014.
62. 53rd Annual Meeting, Georgia Surgical Society. Medullary Thyroid Cancer; Practical Lessons from ATA Guidelines for management of thyroid nodules; Metabolic and endocrine surgery- a dynamic field for advancing innovation and translational science in the 21st century. Invited presentations. King and Prince Beach & Gold Resort. Saint Simons Island, Georgia. September 18-21, 2014.
63. American College of Surgeons 2014. “Metabolic Surgery: Current State of the Role of Surgery in the Treatment of Type 2 Diabetes Mellitus.” Invited presentation. San Francisco, CA. Oct 29, 2014.
64. Clinical Lecture: Operation for primary HPT under local anaesthesia: when, how and why; Report on highlights of initial results from CESQIP. SQRTPA 10th Anniversary Meeting, Skane University Hospital, Lund, Sweden. Nov 11-12, 2014
65. Endocrine Departmental Grand Rounds at Mount Sinai Beth Israel (MSBI). “Metabolic and Endocrine Surgery – A Dynamic Field for Advancing Translational Science, Innovation and Quality.” New York, NY. February 2, 2015.
66. Surgery Department’s Samuel Kountz Visiting Professor and Grand Rounds Speaker. SUNY Downstate. “Metabolic and Endocrine Surgery – A Dynamic Field for Advancing Translational Science, Innovation and Quality.” Brooklyn, NY. February 5, 2015.

67. SUNY Downstate Medical Center. Brooklyn mex Scientific Dinner. "Endoscopic Thyroidectomy." Brooklyn, NY. February 5, 2015.
68. University of Virginia Surgical Grand Rounds. "Metabolic and Endocrine Surgery – A Dynamic Field for Advancing Translational Science, Innovation and Quality." Charlottesville, VA. Feb, 25, 2015.
69. SAGES Panel: Endocrine Surgery- Balancing Innovation and Quality. "Minimally Invasive Endocrine Surgery Techniques. Balancing Innovation and Quality."Monitoring Quality in Endocrine Surgery." Gaylord Opryland Hotel, Nashville, TN. April 15, 2015
70. 1st International Symposium on Lipedema. Clinical Considerations Panel: Venous Insuffieicnecy, Bariatric & Weight Loss and Orthopedic- Gait Analysis. Setting the Research Agenda for Lipedema: Steps Towards a Cure. W Hotel, Union Square, New York, NY. April 17, 2015.
71. AAES: 36th Annual Meeting. Invited Moderator, Proffered Papers III: Adrenal. Omni Hotel, Nashville, TN. May 18, 2015.
72. OB/GYN Grand Rounds: Guest Speaker. Advances in minimally invasive endocrine surgery. Mount Sinai Beth Israel, 7 Baird Hall, New York, NY. June 10, 2015.
73. Asian Services at Mount Sinai Beth Israel Community Health Conference 2015: Invited Speaker. Minimally invasive endocrine surgery. Mount Sinai Beth Israel, Museum of Chinese in America, New York, NY. December 22, 2015.
74. George Washington University Surgery Grand Rounds: Inaugural Mansour Lecture. Visiting Professor. Pancreatic Neuroendocrine Tumors: Advancing innovation, quality and translational science. George Washington Hospital, Washington DC, January 13, 2016.
75. Icahn School of Medicine at Mount Sinai Division of Gastroenterology Grand Rounds: Guest Speaker. Pancreatic Neuroendocrine Tumors: The Journey to the Crossroads of Innovation and Quality. Jerry Waye Conference Room Mount Sinai Hospital, New York, NY. April 22, 2016.
76. Police Hospital Institute of Medical Simulation (PIMS). Endocrine surgery 2016, Update on Thyroid, Parathyroid and Adrenal Gland: Guest Speaker. Current status of remote access and robotic thyroid surgery in the United States. CESQIP- How to improve quality for endocrine surgery. 9th Floor, Chalermprakiet Maharachini Building, Police General Hospital, Bangkok, Thailand. August 17, 2016.
